# Membership

- 507 signed-up members (+18)
- 341 subscribed for website updates (+12)
- Membership still free but donations welcome!

# Wildlife Camera(s)

- In August we purchased a second camera with a generous grant from the County Council
- In September it was stolen, any pictures went with the camera
- The existing camera by the pond was also attacked, but survived
- Now it's a "mobile" camera

# Wildlife Camera - Pond

Major species Jan 2022 - Sep 2023, 14 day periods

# Wildlife Observations

- Trailcam wildlife sightings have decreased overall
- Apart from muntjac, other species have declined significantly
- Up to 50% of trailcam captures are dogs, much more than previous years
- Is it time to encourage dogs to be kept on leads?
